ABOUT WILDERNESS

Wilderness is a leading safari company with a passion for Africa and its people. We are committed to conservation, community development and responsible tourism. We are a family of 1,000 people who are passionate about Africa and its people, and we are committed to making a difference to the lives of people and the environment we touch.

"We exist to increase the world's wilderness areas, to protect and honour our planet by living in a future of harmony with nature."

OUR SEVEN ENCE PILLARS

ECONOMIC VALUE – WILDERNESS CREATES ECONOMIC VALUE FOR LOCAL COMMUNITIES

Wilderness creates economic value for local communities by employing people from the surrounding areas, providing them with skills and training, and by supporting local businesses and suppliers.

EDUCATING CHANGE MAKERS

Our Wilderness Leadership School (WLS) is a non-profit organisation that provides a 12-month leadership programme for young people from disadvantaged backgrounds – 75 % of our students are female. The WLS has produced 1,000 graduates who are now leaders in their communities.

SUSTAINABLE TOURISM

Wilderness is committed to conservation, community development and responsible tourism. We are a family of 1,000 people who are passionate about Africa and its people, and we are committed to making a difference to the lives of people and the environment we touch.

TRADITIONAL TOURISM

Wilderness is committed to conservation, community development and responsible tourism. We are a family of 1,000 people who are passionate about Africa and its people, and we are committed to making a difference to the lives of people and the environment we touch.

FOR THE FUTURE

Wilderness is committed to conservation, community development and responsible tourism. We are a family of 1,000 people who are passionate about Africa and its people, and we are committed to making a difference to the lives of people and the environment we touch.

WILDERNESS CARE

Wilderness is committed to conservation, community development and responsible tourism. We are a family of 1,000 people who are passionate about Africa and its people, and we are committed to making a difference to the lives of people and the environment we touch.

CLIMATE CHALLENGES

Wilderness is committed to conservation, community development and responsible tourism. We are a family of 1,000 people who are passionate about Africa and its people, and we are committed to making a difference to the lives of people and the environment we touch.

CLIMATE IMPACT

Wilderness is committed to conservation, community development and responsible tourism. We are a family of 1,000 people who are passionate about Africa and its people, and we are committed to making a difference to the lives of people and the environment we touch.

WILDERNESS CARE

Wilderness is committed to conservation, community development and responsible tourism. We are a family of 1,000 people who are passionate about Africa and its people, and we are committed to making a difference to the lives of people and the environment we touch.

OUR AREAS

BOTSWANA
