AIRCRAFT DETAILS

The aircraft in our fleet are specifically chosen for their suitability to the type of airstrips that are found in the remote locations in which we operate

- Cessna 208B Grand Caravan: 12 passengers, ideal for bush airstrips, featuring spacious, air-conditioned cabins and a generous luggage pod.
- Cessna 210: 5 passengers, faster for Namibia's long sectors, with unobstructed views for an immersive experience.

EXPERIENCE THE SKIES

Wilderness Air offers more than just transportation, we provide a breathtaking journey over Africa's wild landscapes. Our fleet is designed for safe and smooth landings on remote airstrips, connecting you effortlessly to pristine destinations.
